

Open Source License Matrix

CWS-CARES

If a license does not appear in this matrix, then it is considered a “Stop.” If you are unsure as to the identification of the license, please contact OSI Legal.

Go	Caution	Stop
<p>You do <u>not</u> need OSI Legal approval to use code licensed under these licenses for all use cases. Please follow the Open Source Code Use Procedures.</p>	<p>You do <u>not</u> need OSI Legal approval to use code licensed under these licenses. However, caution is necessary given that these licenses have different versions that may be easily confused or special requirements. Software developers and the FOSS Compliance Specialist must carefully scrutinize software with these licenses.</p>	<p>You must obtain prior OSI Legal approval to use <i>any</i> code licensed under these licenses. Please complete the Open Source Code Use Request form and submit to OSI Legal.</p>
